

## Adolescent Immunisation Program information

- Vaccination is the most effective way to protect your child from diseases that can cause serious harm.
- Students in year 7 and 10 can get free vaccinations to protect them from diseases.
- Fully trained and qualified immunisation teams will come to school to give the vaccines.

**Program information** - [Adolescent immunisation \(healthywa.wa.gov.au\)](https://healthywa.wa.gov.au)

### Register your child and provide consent.

Your child will not be immunised without your consent. [Complete the online form \(external site\)](#) to ensure your year 10 or year 7 child receives their immunisation/s in the current school year.

The consent form only needs to be completed once, regardless of when the immunisation team visits your child's school this year.

If you are having trouble using or accessing the online form, please email [SBIP@health.wa.gov.au](mailto:SBIP@health.wa.gov.au) or call 9222 2486.

### Hard copy of consent form

While use of the online form is preferred, there is a [hard copy version of the consent form \(PDF 1MB\)](#). Please complete the form and return it to your child's school as soon as possible. Your school office will have some paper copies of the consent form.

Information from paper forms will be electronically uploaded to VaccinateWA by WA Health's immunisation team.

### Children under the care of the Department of Communities.

Contact your dependent's case worker to complete a form and return it to their school.

### When a vaccine is missed at school.

If your child misses their immunisation at school, it's recommended they receive a catch-up vaccine as soon as possible from another provider such as a GP, community immunisation clinic, Aboriginal medical service or participating pharmacy.

### Instructions for consenting online.

- Access the [online consent form \(external site\)](#).
- Enter your child/dependant's details.
- Enter your child/dependant's school information.
- Enter your own details, as the parent/guardian of that child/dependant.
- Provide consent for the relevant vaccination plan selected.
- Acknowledge and sign the form.
- Submit the form. An email will be sent from VaccinateWA confirming your consent.

## OFFICIAL

- If you need to update any details, please submit the form again.
