

Holland Street School | Term 4 News

Welcome to Term 4! We look forward to a term filled with learning, celebrations and opportunities to recognise how far our students have come.

Be Your Best — We Have a Go!

Our PBS focus encourages students to try, participate and persevere. At home, celebrate the effort: “You had a go!” Small steps can be big achievements.

Our New Build is Underway!

Work has begun on our new undercover area—an exciting addition for learning and gathering together. During construction, Holland Street will be shared by contractors, staff, families and community members. Please slow down, follow signs, keep access clear and take extra care when arriving and leaving.

Stay Connected

Keep in touch with your class teacher. Asking questions, sharing celebrations and changes in your child’s needs helps us work together to support their learning and wellbeing.

Attendance Matters

Every school day offers opportunities to learn, connect and build routines. Please notify your class teacher of any absence, and the reason.

Wednesday Canteen Reminder

Please check the current canteen menu and ordering arrangements, and submit orders by the advertised deadline.

Please refer to our website - Parent Information.

- 23 October, 6 November and 20 November: Assemblies at 2:25 pm.
